LANE AND ROAD CLOSURE NOTIFICATION – WEEK OF FEBRUARY 20
INTERSTATE 10 WIDENING PROJECT WILL REQUIRE INTERMITTENT
CLOSURES ON LOCAL STREETS IN REDLANDS

During the week of February 20, excluding the Presidents' Day holiday on Monday, the Interstate 10 freeway widening project will require the following lane and road closures on Redlands streets:

- **Orange Street – Lane closure, February 21–24**
Bridge demolition work will require a lane closure on Orange Street to prepare for the bridge widening. During the lane closure, at least one travel lane will be maintained in each direction. Pedestrian access also will be provided on one side of the street. Please follow all posted signs and cross the street only at designated crossing areas.
- **Church Street – Full closure, February 21–24**
Bridge work will require a full closure on Church Street to prepare for the bridge widening. Motorists will be detoured to Sixth Street via Colton Avenue and Redlands Blvd.
- **University Street – Lane closure, February 21–24**
Forms will be placed along the bridge, requiring the continued lane closure. Work will be allowed only during off-peak hours of 9 a.m. to 2 p.m. During the closure, at least one travel lane will be maintained in each direction. Pedestrian access also will be provided on one side of the street. Please follow all posted signs and cross the street only at designated crossing areas.
- **Citrus Avenue – Lane closure, February 21–24**
Bridge demolition work will continue, requiring a lane closure of Citrus Avenue to prepare for the bridge widening. During the closure, at least one travel lane will be maintained in each direction. Pedestrian access also will be provided on one side of the street. Please follow all posted signs and cross the street only at designated crossing areas.
- **Cypress Avenue – Shoulder closure, February 21–24**
Crews will continue to drive piles on the shoulder of Cypress Avenue, requiring a shoulder closure. Pedestrian access also will be provided on one side of the street. Please follow all posted signs and cross the street only at designated crossing areas. No lane closures will be required for motorists.
- **Palm Street – Full closure, February 21–23**
Bridge work will require a full closure on Palm Street to prepare for the bridge widening. Motorists will be detoured to Highland Avenue via Grove Street and Lytle.
- **Highland Avenue – Full Closure, February 24**
Bridge work will require a full closure on Highland Ave to prepare for the bridge widening. Motorists will be detoured to Palm Street via Grove Street and Lytle.

Please follow posted signs and drive carefully through the construction area. For more project information, call the Interstate 10 helpline at (909) 889-8611 ext 102 or visit the San Bernardino Associated Governments website at www.sanbag.ca.gov. SANBAG appreciates your patience during this freeway widening project.
